

Membership Application

Cuillin FM is embarking on exciting future plans with a series of major changes taking place over the next six months including:

- an expansion project that will take our signal to communities in Sleat and Staffin
- boost the current signal from our 102.7 mast
- complete rebrand including a brand new website with listen again features, podcasts and up to date local news items as well as new signage, banners and graphics and logo.

Take advantage of our fantastic membership packages now as we will be looking to increase our membership prices for business in March 2020
